

Information about Auditor of Investor AB

Pursuant to its Articles of Association, Investor should have one or two auditors and at the most two deputies. A registered firm of auditors may be appointed as the company's auditor. At the 2007 AGM, the registered firm of auditors, KPMG AB, was appointed auditor until the close of the 2011 AGM. At present, the authorized auditor Carl Lindgren is auditor in charge.

Over the past three years, the audit firm has conducted a limited number of other assignments on behalf of Investor in addition to the audit. These assignments mainly consisted of services associated with auditing, such as in-depth reviews during an audit. By limiting the extent to which the auditor is allowed to perform services other than auditing, it is possible to ensure that the auditor is independent of the company.
