Our objective

Build the Net Asset Value

Operate efficiently

Pay a steadily rising dividend

Attractive total
return to our
shareholders

Cash flow platform established

- > Portfolio with strong cash flow generation capacity
- > Reinvesting in NPV positive projects builds a stronger Investor
- > Cash flow after investments will allow a steadily rising dividend

Our dividend policy

- The dividend is important for industrial holding companies
- The goal is to generate a steadily rising dividend

Our **dividend policy** is to distribute a large percentage of the dividends received from listed Core Investments, as well as to make a distribution from other net assets in line with the equity market
