Investor secures loan facility to finance Hi3G

Investor has reached an agreement for a SEK 1,800 m. loan facility with the European Investment Bank (EIB) for Investor's share of Hi3G's loan financing. As reported earlier, the intention is to transfer Investor's loans for Hi3G to external creditors over time.

"We are pleased to have secured our debt financing of Hi3G at attractive terms, and that EIB shares our positive view of the future of mobile broadband," commented Investor CFO Lars Wedenborn in a statement.
