Stefan Stern Head of Corporate Relations and Communications

Stefan Stern, currently Senior Advisor, will widen his responsibilities at Investor by assuming the position as Head of Corporate Relations and Communications. Stern will continue in his present role within Public Affairs and also assume the responsibilities of Oscar Stege Unger, who will leave Investor to assume a new position as Director Network and Communications at FAM.

The changes will be effective as of September 1.

“Oscar has been a valued colleague at Investor for thirteen years, not the least as Head of Corporate Communications the last four years, and has now been offered a new and important position at FAM. Stefan has in a short period of time contributed with new competence to Investor and I am pleased that he will take on the task of merging his current responsibilities within Public Affairs with leadership for the whole of Investor’s communications”, comments CEO Börje Ekholm.
