Investor AB to utilize mandate to repurchase shares

The Annual General Meeting of Investor 2025 authorized the company's Board to resolve on the purchase of the company's own shares. The shares may be purchased in order to, among other things, secure the obligations and hedge the costs related to Investor's long-term variable remuneration program for employees within Investor and to the synthetic shares issued as part of the Board remuneration. Investor's Board has now decided to utilize the authorization for these purposes.

The purchase of own shares may take place on Nasdaq Stockholm prior to June 17, 2025 at a price within the price interval registered from time to time. Investor currently owns 5,284,074 class B shares and the maximum number of shares that may be purchased amounts to 560,000 class B shares.
