PRESS RELEASE

The price in the simplified procedure for Scania warrants has been fixed at SEK 7.63 per warrant

In the simplified procedure regarding commission-free purchase or sale of warrants relating to Series B shares in Scania AB the price has been fixed at SEK 7.63 per warrant. The same price applies to buying as well as to selling. The price is fixed based on trading in warrants on the Stockholm Stock Exchange during the period June 17-20, 1996.

The simplified procedure is directed to shareholders in Investor who received warrants in Scania AB as dividend. The purpose of the simplified procedure was to give holders of these warrants the opportunity to round their holdings to even lots of 500 warrants corresponding to 100 shares in Scania AB.
