INVESTOR AB

PRESS RELEASE

Pontus Ekman succeeds Börje Ekholm as president of Novare Kapital AB

Pontus Ekman has been appointed president of Novare Kapital AB. He succeeds Börje Ekholm, who has taken on a new assignment in Investor AB with responsibility for new investments. Mr. Ekholm also becomes a member of Investor's Executive Management.

Novare Kapital AB is a venture-capital company, geared to minority investments in high-tech companies with good growth potential. Novare Kapital has investments, among others, in Medicarb AB, Neos Robotics AB and Nordic Sensor Technologies AB. Novare is owned 75 percent by Investor AB and 25 percent by Skandinaviska Enskilda Banken AB.
