PRESS RELEASE

Investor AB increases ownership to 100% in Novare Kapital AB

Investor AB is acquiring the 25 percent in Novare Kapital held by S-E-Banken Företagsinvest. Upon completion of the deal, Novare Kapital AB will be wholly owned by Investor AB.

The acquisition means a streamlining of affairs and it gives both Novare Kapital AB and S-E-Banken Företagsinvest a more clearly defined profile vis-à-vis the venture capital markets.

Novare Kapital AB is a venture capital company geared to investments in fast-growing companies in the Nordic countries, in the areas of information technology, healthcare and environmental technology as well as in productivity enhancing technologies.

Novare Kapital has so far invested in eight companies.
