Investor's Management Group Expands With Henry E. Gooss

As of March 2, 1998, Investor's Management Group will be expanded with the addition of Henry E. Gooss, managing director and chief investment officer of Chase Manhattan Private Bank. Besides being a member of the Management Group, Mr. Gooss will also be part of Investor's Investment Committee for New Investments and will be based in New York.

Mr. Gooss joined Manufacturers Hanover, subsequently Chemical Bank, in 1986 and was appointed a senior vice president and chief investment officer. He had previously been with Brown Brothers Harriman (1969-1986).

"Seen against the background of his extensive knowledge and experience in international investment activities that Henry brings with him, we are convinced that he will play a significant role in connection with the realizing of our plans for investing outside of Sweden. Moreover, he will make a very valuable addition to our Management Group," said Claes Dahlbäck, President and Chief Executive Officer of Investor AB.
